

Life Group Guide

Eastertide (Post Easter Guide)

Eastertide is the 50 day period after the resurrection of Christ, before Pentecost, marked by feast and celebration! Consider this week hosting a potluck with your life group. And really go for it, make it a feast. Celebrate the resurrection and joy we have in Jesus!

Possible discussion questions if needed (pick 3-4)

- Share a favorite Easter memory or tradition you have as a family.
- How did your view of Easter change or deepen as you understood the Gospel story and the beauty of Christ's resurrection?
- As you consider how many times we read the word "abide" in 1 John, what does abiding look like for you these days? What are you reading/learning in God's word? How is time in prayer? Worship? Silence or solitude?
- If abiding is a struggle, what would you hope for abiding to look like over Eastertide (the next 50 days)? What are some rules of life to incorporate to help you stay anchored in God's word and presence? (See Foundations Week 10 for Rule of Life description or click here: [Rule of Life](#))
- What has been meaningful to you in the 1 John series thus far?
- As you consider being raised to new life in Christ (Galatians 2:20), what are some areas you need to embrace the new life God has given you through His Spirit? What needs resurrection in your life?
