EMBRACING THE GOSPEL • APRIL 9, 2023

Foundational Practice: Embracing the Gospel

We are Embracing the Gospel. We trust Christ as our Savior and Lord for eternity and for today. Daily, we learn how to walk in Him, rooted and built up in Him and established in the faith (Colossians 2:6-7).

1. How have you embraced the gospel this week with your family, neighbors, or coworkers? What part of the gospel is most challenging for you to accept/apply?
2. What's one thing from last weekend's sermon that you hope we discuss as a group?
3. Have someone recap the message in about a minute or two and then ask the following questions: Looking at your sermon notes, what statement or questions were you most challenged or convicted by?
4. What's one way you felt encouraged in your relationship with God through the sermon last week?
5. If you were to incorporate the teaching from this sermon and its related Scriptures into your own life, how would your life be different next week? Next year?

CLOSING CHALLENGE

Spend a few minutes individually sitting with the Lord and asking Him to bring people to mind who you can pray for—that God would lead them to repentance and knowledge of the Gospel. Pray for those He brings to mind and ask God to continue forming your heart and actions towards Christlikeness.
